“Change a Life & Leave a Legacy” Saturday – *different approach that pays long range dividends*
We promise to make it worth your while. Agenda will be packed to make maximum use of your time without wearing you out. In fact, we promise to enthuse and energize you. We will start on time and end on time. Full agendas will be sent out, but here is a taste of what you will get for \$20:

- **Registration** - open from 8-9 a.m. if we are going to start on time, we expect you here on time, so that when your Club Banner marches proudly in the parade we will know how many from your Club are in attendance that day.
- **Concurrent Sessions 8:59 a.m. to 2:12 p.m.** - in the interest of time Business Session and Convention will run at the same time. We will not have a separate luncheon program, it will all flow as one Convention and it will be all business (fun and educational, but business!).
- **Elections** - District Governor, Vice District Governor, 2nd Vice District Governor AND a Tennessee Candidate for International Director will all be elected at this convention.
- **Special Speakers** – including reports from the District, a wonderful presentation by International Director Douglas Alexander from Brooklyn, New York and more.
- **Special Presentations** - Drug Essay and Peace Poster winners will be announced. Some very special awards will be presented. Clubs will share some heart-warming, life changing stories that will inspire you.
- **Silent Auction** – some great buys and one of a kind items that you will not want to miss!!! Each club and Lion is asked to bring quality items to add to the auction. It will close immediately following lunch, and winners announced following special Club presentations.
