

Middle Tennessee Lions Sight Service Fundraiser

MTLSS has partnered with **MII Gourmet** to create a new year-round fundraising project. To support and participate in this project, please go to:

<http://www.myfundraisinggoal.com/1378292>

to order steaks, pork, chicken, and seafood products, along with cheesecakes and pecan pies... just to mention a few of the delicious items available.

MTLSS will receive a generous commission, paid monthly, for all items purchased through this program. The proceeds will assist in providing vision related medical services to the patients that the MTLSS serves, right here in Middle Tennessee.

Your order will be shipped in a secure container with dry ice to provide cooling. Items are delivered via FedEx courier services. Orders are filled once a week on Monday and shipped the next day. Orders received after 9AM on Monday are shipped the following week. They can even ship your purchases as gifts to family and friends direct to their address.

Please support the MTLSS by trying this service and ordering some of your Thanksgiving and Christmas gourmet items.

If you have questions concerning the project, contact Harry Brittain hwbrittain@lighttube.net or Becky Williamson beckype9@aol.com who are members of the Fundraising Committee for the MTLSS.

Thanks, Middle Tennessee Lions Sight Service, Fundraising Committee
